

Push-On Hose Fittings with Garden Hose Threads

Dixon™ push-on fittings are intended for use with Lok-On (push-on style) hose only. No hose clamps or ferrules are needed. Push-On fittings will properly grip Push-On hose only when pushed all the way in, with the cut end of the hose completely concealed by the plastic cap.

Push-On male garden hose fitting

Hose ID	GHT Thread	Brass Part #	Price/E
